2021

— CALENDAR —

GAYTHER

— LGBTQ TOGETHER —

We at Gayther.com are passionate about the LGBTQ+ community, not just about advocating for but helping the world in seeing and understanding the diverse and amazing individuals that form this exceptional community. A community that has been around for thousands of years, and it is the only group that represents every country, race, religion and speaks every language across the entire globe.

Attitudes have been changing over the past 50 years, mainly in part due to people having the freedom to be their true self without fear of persecution, but also through people knowing someone that identifies as LGBTQ+. If you believe you do not know a single person that identifies as LGBTQ+, then it is most likely someone in your life does not want to share their true self with you.
