

PANSEXUAL SYMBOL 09

GAYTHER COLOUR AND LEARN

Represents pansexuality (attraction regardless of gender)

Various symbols have been used to represent pansexuality, including designs that combine male, female and transgender or gender-diverse imagery. These symbols provide a visual representation of attraction that is not restricted by gender. Pansexual symbols are relatively recent, reflecting the development and growing recognition of more specific identity language within the LGBTQIA+ community.

INTERESTING FACT

The prefix “pan-” comes from the Greek word pan, meaning “all” or “every.” In pansexual, it reflects attraction that is not limited by gender.
